

Executive Presence; the art of public speaking

When confidence isn't enough

For professionals and leaders who need to speak with authority, clarity and impact, not just confidence.

Executive level speaking

Public speaking is a strategic skill that requires;

- Reading a room accurately
- Psychological precision
- Adapting in real time
- The ability to connect with the audience using the Rhetorical Triangle

The Charisma Collective

Three experienced thought leaders coming together to produce a unique, executive level program for leaders wanting to make their mark in public speaking.

Who We Are?

Rachel Winters; Classical actor, (RSC & Shakespeare's Globe), expert in voice, presence, & command of space.

Keira Smith; Solution Focused Hypnotherapist, Expert in psychological precision, performance under pressure & cognitive clarity.

Wendy Garcarz; TEDx speaker, Entrepreneur & Author, expert in narrative authority & reputational capital.

What We Do?
